Officer Stice stated a white vehicle traveling North was clocked with his radar was speeding at 80 miles per hour. Officer Stice turned around, activated blue lights and siren to conduct a traffic stop and the vehicle would not pull over. The white vehicle pulled over a shop near School St and Columbus Rd. A black male jumped out, fled on foot and was not seen again until later. Officer Stice got the tag information and it came back to Shawn Davis. Officer Stice called for a wrecker to tow the vehicle. During the inventory of the vehicle, a Alabama drivers license was recovered from the drivers floor along with illegal narcotics. The license was Shawn Deon Davis. Agent Howell was notified and arrived at the scene. Agent Howell collected the evidence and spoke with Officer Stice and Sgt. Davis in reference to who the tag came back to and the license. **Charge No:** 1 **Violation of Condition No:** 8: New Offense Poss Contr. Subs.

The parolee states that he has read and understands the charge and pleads Not Guilty

Officer Jonathan Allen called Chambers County Drug Task Force Agent Lawrence Howell who testified that on 3/20/22 the parolee's vehicle was observed by law enforcement traveling in excess of 80 MPH and stated that the officers involved initiated lights and sirens in an attempt to stop the vehicle. Agent Howell stated that he was advised by the officers that the vehicle refused to pull over and that eventually the pursuit ended with the driver of the vehicle, only identified as a black male, pulling into a station and fleeing the scene on foot. Agent Howell stated that the individual the officers observed fleeing from the vehicle was not apprehended at that time and stated that the parolee was taken into custody on these charges the next day when he came to the impound lot to pick up his car.

Agent Howell testified that the the registration was run on the vehicle by the officers on the scene and that the parolee came back as the registered owner. Agent Howell stated that he was advised by the officers conducting the search that while they were conducting an inventory search, prior to towing the vehicle, 36 pills, that later field tested positive for methamphetamine, were located as well as some marijuana . Agent Howell stated that he went out to the scene at that time and that he personally retrieved the pills and tested them on the scene. Agent Howell testified that the marijuana recovered from the parolee's vehicle was not field tested because based on his training and experience he is able to identify marijuana without a test. Agent Howell stated that the parolee's driver's license was also located in the car at the time of the inventory.

Agent Howell stated that a patrol officer searching for the parolee in the area where he was last seen advised him that he had spoken with resident who advised him that someone recently came to his door asking to be let inside because the police were chasing him. The officer advised Agent Howell that the homeowner denied the person entry into his home and Agent Howell testified that he was further advised by the officer that he searched the residence and the parolee was not there. Agent Howell stated that the resident later identified the parolee from a LETS photo that was shown to him. Agent Howell stated that they, the homeowner and the parolee, know each other. Agent Howell stated that the parolee, himself and the witness are all familiar with one another in the community.

Agent Howell testified that the address on the parolee's drivers license is located less than 2 miles from where

**Details**

According to the arrest warrant and officer statement, Davis was operating his personal vehicle on Sunday, 3/20/2022, in the area of Columbus Road traveling North. A traffic stop was attempted due to excessive speed. Prior to contact, Davis exited the vehicle and fled on foot. stop occurred. Agent Howell testified that the parolee was charged with marijuana 1st due to a previous conviction for marijuana on 11/21/2016. Agent Howell stated that based on the recovery of the parolee's car, the parolee's drivers license inside the car, the identification of the parolee by the witness who stated that the parolee came to his residence asking to be let inside, the short time between the actual stop and the parolee attempting to retrieve his car and the fact that the parolee never reported the car as being stolen, the parolee was charged with possession of a controlled substance and possession of marijuana 1st.

The parolee had no questions for Agent Howell.

Agent Howell stated that dash cam footage of stop has been requested from the patrol officers.

The parolee stated that he had a wreck in that vehicle on February 4, 2022 and that numerous people have been working on that car since the accident. The parolee stated that he was at work on the date and time that the stop occurred and that he has a time sheet that verifies his statement. The parolee stated that his stepfather brought the paperwork to his parole officer a few weeks ago. The parolee stated that he was working on both the Saturday before and on the Sunday, the date of the stop, because the CEO of the company was coming in and they were getting the place ready. The parolee stated that he did not get off until 5:30 p.m. that Sunday and that he could not have been the driver of the car because he was working at Frazier Lumber Yard. The parolee testified that he called the Chief about his car and the Chief advised him to come get the car from impound. The parolee stated that the Chief told him what was found in the car and also told him that no one was in trouble because there was no way to prove who was in the car. The parolee stated that when he went to get the car he was arrested by Officer Conway and further advised that there was no warrant for his arrest. The parolee stated that he was held without a legally signed warrant until it was signed. The parolee also noted that the warrant contains multiple misspelled words. The parolee stated that he was before the Judge last week on these charges and the Judge said that it looked like there could be some legal issues with this case.

Parole Officer Jonathan Allen testified that the parolee would routinely come in to the parole office to report wearing his work uniform during the late afternoon hours and that the parolee would tell him during those visits that his employer would allow him to leave work to comply with the reporting rules of parole. Officer Allen testified that the parolee told him on previous occasions that that he was allowed to leave work without clocking out to come report, so it would have been entirely possible for the parolee to have "been on the clock" but not at work at the time of the stop.

I find the parolee is **GUILTY** of this charge of parole violation.

RE: Chambers County Case DC 22-930182

Dear Mr. Davis:

This letter is in response to your recent letter received this date. First and foremost you were present in Court for the preliminary hearing 06-22-22- Officer Lawrence Howell was present and provided copies of the discovery to you and I on this date. You and I discussed this case and you told me this was the same testimony that was presented at your parole violation hearing in Lee County. There is a waiver filed on a later preliminary hearing date, because your preliminary hearing was on June 22, 2022 and by clerical error it got placed on several dockets after this date and had to be removed.

Secondly, no person has contacted my office in regards to your case. No family, friends or any other person. If they contact my office I will refer them to you for release for me to talk with them, when and if this occurs.

Your case will be presented to grand jury in January, 2023. If the grand jury finds there is enough evidence to indict you at this hearing you will be notified by myself and DOC. Once the case is presented to grand jury and I receive notice, you will be served with the indictment at the prison. Until this occurs, your case will continue to be bound over to grand jury.

If for any reason you are released from DOC you must notify me immediately.

Best Regards,

Susan K. Harmon  
Attorney at Law
